5th October 2010

No. 842-1054/2009-AS-IV/Part/1106

To

Bharat Sanchar Nigam Limited.
Regulation Cell, Corporate Office.
505, Bharat Sanchar Bhawan, Janpath
New Delhi-110001

Subject: Withdrawal of 2nd LRN allocated to M/s Bharat Sanchar Nigam Limited in Chennai Service Area for implementation of MNP.

Bharat Sanchar Nigam Limited was having two licences i.e. one for Tamilnadu Telecom Circle (excluding Chennai) and other for Chennai Metro. After proposed merger of Chennai Metro and Tamilnadu Telecom circle, Bharat Sanchar Nigam Limited will be operating CMTS service (dual technology) under single CMT S licence in Tamilnadu including Chennai service area.

However, Bharat Sanchar Nigam Limited were issued separate LRNs for Tamilnadu Telecom Circle (excluding Chennai) and Chennai Metro for GSM and CDMA networks. Since, BSNL is now operating in Tamilnadu including Chennai under single licence agreement, the following LRNs are withdrawn with immediate effect: (i) 2546 for CDMA network, and (ii) 2395 for GSM network.

Now, the valid LRNs for BSNL for Tamilnadu (including Chennai) service area are (i) 2499 for GSM network and (ii) 2720 for CDMA network for implementation of MNP.

(Sudhir Kumar Sinha)
Section officer (AS-III)
