No.800-66/2009-VAS-III/6

Dated: 20-04-2010.

To,

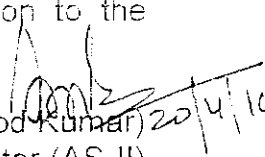

**All CMTS/UAS Licensees**

**Subject:- Interception for Intra-Circle Roaming facilities.**

This has reference to this office letter No. 800-725/2005-VAS/269 dated 12<sup>th</sup> June 2008 vide which license condition of CMTS/UAS License has been amended by this office, permitting the service providers to enter into commercial arrangement for Intra-service area roaming facilities with other licensed CMTS/UAS Licensees.

2. In this connection, the undersigned is directed to clarify that all the service providers are hereby mandated to inform about their intra-circle roaming arrangement to all the designated law enforcement agencies (LEA) so that if LEAs desire, they can send the interception request to all those service providers with whom the parent network has intra-circle roaming arrangement.

3. The above should be followed with immediate effect in addition to the instruction issued on the above subject from time to time.
