

Amendments made in the Licence Agreement for International Long Distance Services effective from 15.01.07

Clause no.	Existing clause	Amended clause
2.2(c)	Equal access to bottleneck facilities for international bandwidth owned by national and international band width providers shall be permitted for a period of five years from the date of issue of the guidelines for grant of licence for ILD service or three years from the date of issue of first licence for ILD service, whichever is earlier, on the terms and conditionals to be mutually agreed.	Equal access to bottleneck facilities at the Cable Landing Stations (CLS) including landing facilities for submarine cables for licensed operators on the basis of non discrimination shall be mandatory. The terms and conditions for such access provision shall be published with prior approval of the TRAI, by the Licensee owning the cable landing station. The charges for such access provision shall be governed by the regulations/ orders as may be made by the TRAI/DoT from time to time.
17.5	The terms and conditions of interconnection including standard interfaces, points of interconnection and technical aspects will be such as mutually agreed between the service providers.	The terms and conditions of interconnection including standard interfaces, points of interconnection and technical aspects will be such as mutually agreed between the service providers within the framework of orders, directions or regulations as may be issued from time to time by TRAI, under TRAI Act 1997.
17.10	The network resources including the cost of upgrading/modifying interconnecting networks to meet the service requirements of the service will be provided by service provider seeking interconnection. However mutually negotiated sharing arrangements for cost of upgrading/modifying interconnecting networks between the service providers shall be permitted.	The network resources including the cost of upgrading/modifying interconnecting networks to meet the service requirements of the service will be provided by service provider seeking interconnection. However mutually negotiated sharing arrangements for cost of upgrading/modifying interconnecting networks between the service providers shall be permitted keeping in view the orders, directions or regulations issued by TRAI/DoT from time to time.
