**I.A. No. 1338/2024 on behalf of the plaintiffs under Order I Rule 10  
CPC seeking impleadment of mirror, redirects, or alphanumeric  
variations as additional defendant nos. 215 & 216 in the memo of  
parties.**

Heard.

Vide this order, I shall dispose off the present application filed by the plaintiff under Order 1 Rule 10 CPC for impleadment of fresh defendants. Learned counsel for the plaintiff has submitted that the Hon'ble Court was pleased to grant an ex-parte ad-interim injunction in this suit against the defendants vide order dated 27.07.2020 for infringement of copyrights of the plaintiff with further directions that as and when plaintiff files an application under Order 1 Rule 10 CPC for impleadment as defendants of such other

websites, plaintiff shall file an affidavit confirming that the websites to be impleaded are mirror/ redirect/ alphanumeric websites, with sufficient supporting evidence. Hon'ble Court had further directed that the application for impleadment shall be listed before the Joint Registrar, who on being satisfied with the material placed on record, shall issue directions to the ISPs to disable access in India to such mirror/redirect/alphanumeric websites.

It has been submitted that after passing of the order dated 27.07.2020, other websites, as disclosed in the present application, have also started violation of the plaintiff's copyrights. These websites are mirror / redirects / alphanumeric variations of the websites which were blocked pursuant to the order dated 27.07.2020 and are also necessary parties to this suit. It has been further stated that details of the proposed defendants have been disclosed in Schedule-A annexed with application who are liable to be impleaded as defendants nos. 215 & 216. It has also been submitted that ex-parte injunction dated 27.07.2020 is also liable to be extended against the proposed defendants, in view of the material placed on record alongwith the present IA.

I have considered the submissions and perused the record. The law to deal with such applications and extension of *ex-parte ad-interim* injunction to the proposed defendants has already been laid down in *UTV Software Communication Ltd. & Ors. vs. 1337X.TO & Ors.*, wherein it has been observed, in paragraph 107, to the effect :

*"107. Keeping in view the aforesaid findings, a decree of permanent injunction is passed restraining the defendant-websites (as mentioned in the chart in paragraph no. 4(i) of this judgment) their owners,*

*partners, proprietors, officers, servants, employees, and all others in capacity of principal or agent acting for and on their behalf, or anyone claiming through, by or under it, from, in any manner hosting, streaming, reproducing, distributing, making available to the public and/or communicating to the public, or facilitating the same, on their websites, through the internet in any manner whatsoever, any cinematograph work/content/ programme/show in relation to which plaintiffs have copyright. A decree is also passed directing the ISPs to block access to the said defendant-websites. DoT and MEITY are directed to issue a notification calling upon the various internet and telecom service providers registered under it to block access to the said defendant-websites. The plaintiffs are permitted to implead the mirror/redirect/alphanumeric websites under Order I Rule 10 CPC in the event they merely provide new means of accessing the same primary infringing websites that have been injuncted. The plaintiffs are also held entitled to actual costs of litigation. The costs shall amongst others include the lawyer's fees as well as the amount spent on Court-fees. The plaintiffs are given liberty to file on record the exact cost incurred by them in adjudication of the present suits. Registry is directed to prepare decree sheets accordingly."*

Plaintiff has also filed alongwith an affidavit of investigator with sufficient material to prove that proposed defendants/websites are mirror/redirect/ alphanumeric websites which are also involved in violation of copyrights of the plaintiff. In view of the submissions, material put forth by the plaintiff, and directions passed by the Hon'ble Court in the order dated 27.07.2020, the websites mentioned in the prayer clause of the application and Schedule-A are impleaded as defendants nos. 215 & 216.

Since the newly added defendants are also stated to be involved in

violation of copyrights of the plaintiff, accordingly *ex-parte* ad-interim Injunction dated 27.07.2020 is also extended against the newly impleaded defendant nos. 215 & 216.

Amended memo of parties is taken on record.

I.A. stands disposed off.

Let defendant nos. 215 to 216 be summoned on filing of PF and through all permissible modes including e-mail returnable on the next date of hearing.

Registry is **directed** to do the needful.

Copy of order be given *dasti*.

Put up for completion of pleadings on 07.02.2024, the date already fixed.

## **Annexure-IV**

Subject: Action requested to be taken by MEITY and Plaintiff for effective removal of content for viewing by public at large within India as per the said orders of Hon'ble Court.

It is observed that a number of orders of Hon'ble Court are issued for blocking of websites every month. There are around more than 2700 ISPs in India and these ISPs are connected among themselves in a mesh network. DOT is instructing each of the ISPs through emails/through its website for blocking of the websites as ordered by the Hon'ble Courts. Ensuring compliance of the orders by each of the ISPs is a time-consuming and complex task especially in view of multiplicity of orders of Hon'ble Courts, multiplicity of websites to be blocked and multiplicity of ISPs.

2. Allocation of Business Rules inter-alia states thus:-

*'Policy matters relating to information technology; Electronics; and Internet (all matters other than licensing of Internet Service Provider).'*

3. In view of above and in order to ensure effective removal by content for viewing by public at large, the plaintiff is requested to do a trace route of the web server hosting the said website. In case the web server happens to be in India, the plaintiff may inform the same to Meity who may direct the owner of such web server to stop transmission of content as per IT Act and as directed by the Hon'ble Court so that the content would be blocked from the source itself and the exercise of blocking by 2700 ISPs would not be required.

4. In case such server is located abroad i.e. outside India then access to such URL/website can be blocked through the international internet gateways which are much less in number. This would result in timely and effectively removal of undesirable content for viewing by public at large as is the requirement as per the orders of Hon'ble Court.
