10. Present application has been filed on behalf of the plaintiff under Order XXXIX Rules 1 & 2 of CPC, 1908 seeking *ex-parte ad-interim* injunction against the defendants.

11. It is stated that the plaintiff is a company incorporated under the Companies Act, 1956, having its registered office at Star House, Urmi Estate, 95, Ganpatrao Kadam Marg, Lower Parel (West) Mumbai 400013, and also has a local office at Vatika Business Centre, Thapar House, Gate No.1, Eastern & Central Wing, 3rd Floor, 124 Janpath, New Delhi 110001.

12. The plaintiff claims to be a leading entertainment and media company in India and has an exclusive right as owner for several works broadcasted on its channels. The portfolio runs into more than one hundred channels in over

ten languages. The details of various channels are enumerated in para 3 of the plaint. The necessary uplink and downlink permissions issued by the Ministry of Information and Broadcasting (MIB) have conferred upon the plaintiff who has the sole and exclusive right to broadcast and distribute Jio Star channels in India. The plaintiff broadcasts various sporting events in the field of Cricket, Football, Badminton, Tennis, Hockey, etc.

13. The plaintiff owns and operates an online audio-visual streaming platform and website ‘www.hotstar.com’, and the mobile application ‘JioHotstar’, formerly known as ‘Disney+Hotstar’. Its OTT platform enables viewers to watch television serials, films, sports content, etc.

14. Plaintiff claims that the TATA Indian Premier League 2026 (hereinafter referred to as “*TATA IPL 2026*”) is a cricket franchise league which is owned and operated by Board for Cricket Control in India (hereinafter referred to as “*BCCI*”). The plaintiff claims to have acquired exclusive digital rights (internet rights and mobile rights) from the BCCI for the TATA IPL 2026 for Indian sub-continent and Overseas Territories for a period of five (5) years from the year 2023 to 2027 as confirmed by Right Confirmation Letter dated 15.12.2022 through Viacom18 Media Private Limited pursuant to an arrangement. The rights include exclusive right to use TATA IPL 2026’s Logo and any other mark associated with the event. The arrangement between plaintiff and Viacom18 Media Private Limited has been duly acknowledged and consented by BCCI *vide* letter dated 25.09.2024. Pursuant thereto, the IPL events will be made available on plaintiff’s OTT Platform ‘JioHotstar’ and on its channels.

15. Plaintiff claims that the primary opportunity to exploit the rights are granted under the Copyrights Act, 1957 and the contemporaneous display of the sporting event on parallel unauthorized live streams would deny the ability to effectively monetize the rights acquired or licensed for the said

purpose. In para 4 of the plaint, the events other than TATA IPL 2026 have been enlisted. Plaintiff claims that any entity which may broadcast, retransmit, host, stream, make available for viewing and download, provide access to or communicate to the public in India, the event proposed to be commenced from 28.03.2026 which have been licensed the exclusive rights to the plaintiff, without the authorization, it would tantamount to interference with the exclusive rights of the plaintiff. Plaintiff claims that since the unauthorized communication of the plaintiffs' broadcasts even on earlier occasions had occurred in Delhi and the present one too is to occur in Delhi, the cysts of infringement is Delhi.

16. Plaintiff claims that previous IPL event matches which were made available by the plaintiff were also infringed by one or more of the defendants impleaded in the present suit. On account of such past experience, the plaintiff apprehends infringement of their exclusive rights in respect of the TATA IPL 2026 event to be commenced from 28.03.2026. Plaintiff has been able to identify a network of certain rogue websites that are infringing their exclusive rights. Such rogue websites/domain names have been impleaded in the instant suit as defendant nos.1 to 4. It has thus become imperative for the plaintiff to protect their exclusive and statutory rights from infringement by such rogue websites and other similar infringers.

17. Plaintiff claims that it has not authorized any of the defendant nos.1 to 4 to broadcast the said event on their respective platforms. Plaintiff has filed alongwith the plaint, evidence of the defendants' websites being illegal and indulging in infringing activities. The said websites are stated to be illegally communicated and stream the copyrighted contents of the plaintiff to the viewers located in Delhi resulting in infringement. Plaintiff asserts that they have neither licensed nor authorized the owners or operators of the defendants' websites to indulge in communicating or broadcasting the

exclusive rights conferred upon the plaintiff in respect of the TATA IPL 2026. The grievances raised by the plaintiff are encapsulated in paras 21 and 22 of the plaint. The plaintiff claims that the owners/operators of the defendants' websites are unknown and are located at unverifiable locations. Most of the rogue websites are stated to hide behind domain privacy services offered by various "Domain Name Registrars". It is believed by the defendants that these rogue websites share a common source for the content which is made available to their users. Such websites use the services of common organizations to hide their identity. Plaintiff claims that it is likely that there is a nexus between these rogue websites.

18. Plaintiff claims that there possibly could be more websites other than defendant nos.1 to 4, however, the said information would only be known once such entities start communicating and broadcasting the TATA IPL 2026. Such entities are enumerated as "Ashok Kumar(s)" i.e. defendant no.30.

19. Mr. Sidharth Chopra, learned counsel appearing on behalf of the plaintiff submits that on previous occasions, this Court has adopted real-time blocking measures to curb infringement by the rogue websites, as reflected by the order dated 30.01.2026 passed in CS(COMM) 89/2026 titled "***JioStar India Private Limited vs. GHD Sports & Ors.***". He further submits that, on previous occasions, an initial injunction has been granted in respect of the few websites, however, a substantial number of illegal or rogue defendant websites tend to be subsequently uncovered, which continued to unlawfully disseminate the sporting events. Accordingly, such illegal/rogue websites have been injuncted and taken down by way of the 'dynamic injunction' granted by this Court. A list of such orders passed by this Court alongwith the number of additional rogue websites captured in the affidavits filed in such similar matters, of which 4 are extracted hereunder:-

S.No	Suit and Event	No. of Additional Affidavits	Number of Additional Rogue Websites as captured in the affidavits
1.	JioStar India Private Limited vs. GHD Sports & Ors. CS (COMM) 89/2026 (App Blocking) Event: ICC Under 19 Men's Cricket World Cup 2026 and ICC Men's T20 Cricket World Cup 2026	19	128
2.	JioStar India Private Limited vs. crichdbest.com & Ors. CS(COMM) 81 of 2026 (Website Blocking) Event: ICC Under 19 Men's Cricket World Cup 2026 and ICC Men's T20 Cricket World Cup 2026	43	402
3.	JioStar India Private Limited vs timz1cw.2hsgwrotenfy7rhyme.shop & Ors. CS(COMM) NO. 1210 OF 2025 Order dated: 13.11.2025 (Website Blocking) Event: South Africa Tour of India 2025 and New Zealand Tour of India 2026	6	36
4.	Star India Private Limited vs. https://crichdplayer.org/ & Ors. CS(COMM) 266 of 2025 Order dated: 25.03.2025 Event: IPL 2025	49	458

20. The defendants' websites impleaded in the present suit are stated to be satisfying the criteria set out by this Court in CS(COMM) 724/2017 titled "**UTV Software Communication Ltd. & Ors vs. 1337X & Ors.**", decided on 10.04.2019. All of which would be subject to orders for the Internet Service Providers i.e. defendant nos.18 to 27.

21. On the aforesaid basis, the plaintiff seeks urgent *ex-parte ad-interim* injunction and for implementation of urgent action by the Internet Service Providers (ISP), DNRs, DoT and MEITY.

22. Having regard to the aforesaid facts, it appears that the plaintiff is entitled to an *ex-parte ad-interim* injunction. From the assertions in the plaint, it appears that exclusive right of broadcasting TATA IPL 2026 is assigned/licensed to the plaintiffs. It also appears that the plaintiff has a worldwide presence for hosting or live streaming such events upon grant of exclusive broadcasting rights by the sponsors/hosts of the said events. In such a case, the plaintiff appears to have a *prima facie* strong case for an *ex-parte ad-interim* injunction. Since the plaintiff has asserted in their plaint that they have not granted any further broadcasting/streaming rights to any of the defendant nos.1 to 4 or any other such entity till date, coupled with the fact that they have exclusive rights for such broadcast/streaming, balance of convenience is tilted in favour of the plaintiff. Apparently, irreparable loss and injury that may be caused, in case *ex parte ad-interim* injunction is not granted, may not be adequately compensated in monetary terms. Thus, a case for grant of *ex-parte ad-interim* injunction is made out.

23. Accordingly, the following directions are passed:

- a. Defendant nos.1 to 4, their owners, partners, officers and all others in capacity of principal or agent acting for and on their behalf, or anyone claiming through, by or under it are restrained from in any manner communicating, hosting, streaming, and/or

nos.5 to 17/Domain Name Registrars and defendant nos.18 to 27/Internet Service Providers.

- f. Upon receiving such intimation as specified in para (c) and (e) above, from the plaintiff alongwith supporting evidence, defendant nos.5 to 17/DNRs are directed to forthwith lock or suspend the domain name registrations of such newly discovered infringing websites and defendant nos.18 to 27/ISPs are directed to immediately block access to the said websites.

Subject: Action requested to be taken by MEITY and Plaintiff for effective removal of content for viewing by public at large within India as per the said orders of Hon'ble Court.

It is observed that a number of orders of Hon'ble Court are issued for blocking of websites every month. There are around more than 2700 ISPs in India and these ISPs are connected among themselves in a mesh network. DOT is instructing each of the ISPs through emails/through its website for blocking of the websites as ordered by the Hon'ble Courts. Ensuring compliance of the orders by each of the ISPs is a time-consuming and complex task especially in view of multiplicity of orders of Hon'ble Courts, multiplicity of websites to be blocked and multiplicity of ISPs.

2. Allocation of Business Rules inter-alia states thus:-

'Policy matters relating to information technology; Electronics; and Internet (all matters other than licensing of Internet Service Provider).'

3. In view of above and in order to ensure effective removal by content for viewing by public at large, the plaintiff is requested to do a trace route of the web server hosting the said website. In case the web server happens to be in India, the plaintiff may inform the same to Meity who may direct the owner of such web server to stop transmission of content as per IT Act and as directed by the Hon'ble Court so that the content would be blocked from the source itself and the exercise of blocking by 2700 ISPs would not be required.

4. In case such server is located abroad i.e. outside India then access to such URL/website can be blocked through the international internet gateways which are much less in number. This would result in timely and effectively removal of undesirable content for viewing by public at large as is the requirement as per the orders of Hon'ble Court.
