OFFICE MEMORANDUM

Subject: Seeking comments from Telecom Service Providers (TSPs) on feasibility of State/UT-wise monitoring of "Quality of Service" (QoS) and other operational parameters – reg.

The undersigned is directed to convey that, in view of the distinct geographical and operational challenges faced in different States/UTs, monitoring the Quality of Service (QoS) and other operational parameters at State/UT level is under consideration by this Department.

2. All Telecom Service Providers (TSPs) are requested to submit their comments on the feasibility of implementing State/UT-wise monitoring of Quality of Service (QoS) and other operational parameters, wherever deemed necessary, within 15 days of receiving this communication.
