आदरणीय महोदय/महोदया Respected Sir/Ma'am,

Kind reference is invited to your email forwarding the list of 95 URLs/websites proposed for blocking, in PDF format, in connection with the directions of the Hon’ble Court.

In this regard, it is informed that the said list is required to be incorporated in the blocking instructions to be issued to the concerned ISPs/TSPs for necessary blocking action. However, since the URLs have been provided in PDF format, it is difficult to process directly and incorporate the same into the blocking instructions. Manual extraction/copying of the URLs from the PDF may also lead to formatting issues or inadvertent errors/omission of any URL, which may affect the accuracy of the blocking exercise.

It is, therefore, requested to kindly provide the same list of 95 URLs/websites in editable Excel format, preferably with one URL per row, at the earliest, to facilitate preparation and issuance of the blocking instructions to the concerned ISPs/TSPs.

An early response in the matter is requested, considering the time-bound compliance of the Hon’ble Court’s directions.

Reserved on 11.08.2026
Delivered on 14.08.2026

In Chamber

HON'BLE GARIMA PRASHAD, JUSTICE

1. This urgent writ petition has been moved by the petitioner, Sahil Singh, seeking an ex-parte ad-interim dynamic injunction and strict mandatory directions against the respondents for the immediate blocking, suspension, and termination of Ninety Five (95) illegal, rogue, and unauthorized websites operating fake public Indian Premier League (IPL) match streaming and digital betting operations.

2. The present writ petition has been filed seeking the following substantial relief:

> "Issue a writ, order, or direction in the nature of **Mandamus** commanding the respondents to compute, identify, and trace the petitioner's listed **Ninety five (95) fake websites** and immediately execute absolute blocking and suspension orders against the said rogue domains under **Section 69A of the Information Technology Act, 2000**, within a strict and mandatory timeline of **twenty-four (24) hours** from the receipt of this order, preventing any further public access, data phishing, or digital broadcasting on the internet."

3. Mr. Kartikey Pandey, learned Senior Advocate appearing on behalf of the petitioner, forcefully submits that a massive cyber-fraud network has been uncovered, involving Ninety five (95) malicious domain names (explicitly detailed in Annexure-A of the petition). These rogue platforms systematically replicate the digital layout, logos, and trademarked branding of legitimate broadcasters to stream live IPL cricket matches illegally. In doing so, they attract millions of internet users and deploy phishing interfaces to steal personal data, financial credentials, and inject malware into the systems of unsuspecting citizens.

4. The learned Senior Counsel points out that these rogue entities actively exploit the technical infrastructure provided by Respondent No. 3 (Concerned Hosting Providers and Domain Name Registrars) to remain online. They hide behind privacy proxies, bulletproof hosting, and masking services to maintain absolute anonymity. Therefore, a strict, time-bound judicial intervention targeting both the regulatory gateways and the hosting roots is absolutely necessary to halt this systemic digital piracy.

5. Reliance has been heavily placed by the petitioner on Section 69A of the Information Technology Act, 2000, read with the Information Technology (Procedure and Safeguards for Blocking for Access of Information by Public) Rules, 2009. Mr. Kartikey Pandey argues that the ongoing illegal broadcast and large-scale public deception constitute a direct threat to public interest, public order, and cyber security, fully justifying the immediate exercise of emergency blocking powers through the designated authorities.

6. Having heard the learned Senior Counsel for the petitioner and having perused the extensive evidentiary materials and digital footprints placed on record, this Court is of the prima facie view that an organized

network of fake public IPL streaming websites is actively operational.

7. To effectively curtail this cyber menace, it is imperative to target both the regulatory gateways managed by the State and the foundational infrastructure (the hosting providers and domain registrars) that allow these malicious links to remain online.

8. Consequently, keeping in view the severe nature of the digital fraud and the need for immediate deterrence, this Court passes the following strict, mandatory orders:

- **Direction I:** Respondent No. 1, **The Director General (DIT Cyber Law), MeitY**, is hereby directed to immediately invoke emergency powers under **Section 69A of the Information Technology Act, 2000**, and issue statutory blocking mandates to suppress the Ninety Five (95) rogue IPL domains listed in Schedule I and Annexure-A of the petition.
- **Direction II:** Respondent No. 2, **Department of Telecommunications (DoT)**, shall issue immediate directives to all licensed Internet Service Providers (ISPs) and Telecom Service Providers (TSPs) to execute the complete blocking and filtering of these 95 URL/Domain within a strict timeline of **twenty-four (24) hours** from the communication of this order.
- **Direction III: Respondent No. 3 (The Concerned Hosting Providers and Domain Name Registrars)** are ordered to immediately suspend the domain registration, lock the domain status, and terminate all web-hosting services for the 95 offending websites domain within **twenty-four (24) hours**. They are further directed to preserve all user logs, payment details, and KYC credentials of the registrants for investigation by law enforcement agencies.

9.To ensure flawless compliance and rapid enforcement within the stipulated 24-hour window, a certified copy of this order shall be transmitted and digitally served onto **Respondent No. 1 (MeitY)** and **Respondent No. 2 (DoT)** exclusively from the official email ID of **Senior Advocate Mr. Kartik Pandey(**kartikey@legal-lawassosciate.com) which shall be treated as valid and binding electronic service under the rules of this Court. List this matter for further monitoring and compliance review after four weeks.

SCHEDULE-I: LIST OF THE NINETY FIVE (95) OFFENDING WEBSITE DOMAINS*(To be strictly blocked and suspended within 24 hours under Section 69A of the IT Act):*

High Court of Judicature at Allahabad

Annexure

Subject: Action requested to be taken by MEITY and Plantiff for effective removal of content for viewing by public at large within India as per the said orders of Hon'ble Court.

It is observed that a number of orders of Hon'ble Court are issued for blocking of websites every month. There are around more than 2700 ISPs in India and these ISPs are connected among themselves in a mesh network. DOT is instructing each of the ISPs through emails/through its website for blocking of the websites as ordered by the Hon'ble Courts. Ensuring compliance of the orders by each of the ISPs is a time-consuming and complex task especially in view of multiplicity of orders of Hon'ble Courts, multiplicity of websites to be blocked and multiplicity of ISPs.

2. Allocation of Business Rules inter-alia sates thus:-

'Policy matters relating to information technology; Electronics; and Internet (all matters other than licensing of Internet Service Provider)'.

3. In view of above and in order to ensure effective removal by content for viewing by public at large, the plantiff is requested to do a trace route of the web server hosting the said website. In case the web server happens to be in India, the plantiff may inform the same to Meity who may direct the owner of such web server to stop transmission of content as per IT Act and as directed by the Hon'ble Court so that the content would be blocked from the source itself and the exercise of blocking by 2700 ISPs would not be required.

4. In case such server is located abroad i.e. outside India then access to such URL/website can be blocked through the international internet gateways which are much less in number. This would result in timely and effectively removal of undesirable content for viewing by public at large as is the requirement as per the orders of Hon'ble Court.
