% **24.07.2026**

I.A. 19384/2026 (u/O I Rule 10 r/w Section 151 CPC)

1. This application is filed on behalf of the Plaintiff for substitution of Defendants No. 21, 22, 24 and 25, previously identified as John Doe Defendants as also Defendants No.27 to 39.
2. For the reasons stated in the application, the same is allowed impleading the proposed Defendants. Amended memo of parties is taken on record.
3. Application stands disposed of.

CS(COMM) 238/2024

4. Upon filing of process fee, issue summons to Defendants No. 21, 22, 24, 25 and 27 to 39 through all permissible modes, returnable before the learned Joint Registrar on 02.09.2026.
5. Summons shall state that written statements shall be filed by Defendants No. 21, 22, 24, 25 and 27 to 39 within 30 days from the receipt of

summons along with affidavit of admission/denial of the documents filed by the Plaintiff.

6. It will be open to the Plaintiff to file replications within 30 days from receipt of written statements along with affidavits of admission/denial of documents filed by Defendants No. 21, 22, 24, 25 and 27 to 39.

7. If any of the parties wish to seek inspection of any documents, the same be sought and given within the timeline prescribed in Delhi High Court (Original Side) Rules, 2018.

8. Learned Joint Registrar will carry out admission/denial of documents and marking of exhibits.

I.A. 19385/2026 (u/O XXXIX Rules 1 and 2 r/w Section 151 CPC)

9. This application is filed on behalf of the Plaintiff under Order XXXIX Rules 1 and 2 read with Section 151 CPC seeking extension of interim injunction granted vide order dated 18.03.2024.

10. Issue notice to Defendants No. 21, 22, 24, 25 and 27 to 39, through all permissible modes, returnable before Court on 24.08.2026, the date already fixed.

11. It is stated in the application that vide order dated 18.03.2024, Court had restrained Defendants No.1 to 6 from using Plaintiff's registered trademark DASNAC and/or any other similar mark or domain name/trade name and Defendant No.7, the DNR, was directed to suspend the infringing domain names apart from directing MeitY and DoT to disable access to infringing websites/URLs, with liberty to the Plaintiff to recourse to remedies if other infringing links were identified.

12. Learned counsel for the Plaintiff submits that the newly added Defendants are prominently using the Plaintiff's trademark DASNAC as an

integral and dominant part of their domain names and are promoting and disseminating misleading information regarding Plaintiff's business, with a clear intent to deceive customers into believing that commercial nexus exist between the Plaintiff and the Defendants, which is evident from the screenshots brought forth in the application, necessitating filing of this application for extending the injunction order.

13. I have perused the contents of the application as also the screenshots and find that Plaintiff has made out a *prima facie* case for grant of *ex parte* ad interim injunction and balance of convenience also lies in favour of the Plaintiff. Irreparable harm and injury shall be caused to the Plaintiff if the interim injunction sought is not granted.

14. It is accordingly directed that till the next date of hearing, Defendants No. 21, 22, 24 and 25 and Defendants No.27 to 38 and all those acting on their behalf are restrained from using Plaintiff's registered trademark DASNAC and/or any mark deceptively similar thereto as a trademark, trade name, domain name, social media handle, e-mail addresses or in any manner whatsoever, amounting to infringement of DASNAC trademark and/or passing off.

15. Defendant No.7/GoDaddy.com, LLC is directed to suspend and block the domains mentioned at Sr. Nos.1 to 5 in the table in **Annexure-A** of this order, within 36 hours from the date of receipt of copy of this order. Defendant No.13 shall block and suspend the domain at Sr. No.6; Defendant No.14 shall block and suspend the domain at Sr. No.7 and Defendant No.39 shall block and suspend the domains at Sr. Nos.8 to 12, within 36 hours from the date of receipt of copy of this order.

addresses and contact details of Registrants of impugned domains as mentioned in **Annexure-A** to this order within a period of four weeks from today to the Plaintiff.

18. Plaintiff shall comply with the provisions of Order XXXIX Rule 3 CPC within a period of two weeks from today.

I.A. 19386/2026 (u/O XI Rule 1(5) read with Section 151 CPC)

19. This application is filed on behalf of the Plaintiff for placing on record additional documents.

20. Issue notice.

21. Ms. Nidhi Raman, learned CGSC accepts notice on behalf of Defendants No. 8 and 9.

Annexure

Subject: Action requested to be taken by MEITY and Plaintiff for effective removal of content for viewing by public at large within India as per the said orders of Hon'ble Court.

It is observed that a number of orders of Hon'ble Court are issued for blocking of websites every month. There are around more than 2700 ISPs in India and these ISPs are connected among themselves in a mesh network. DOT is instructing each of the ISPs through emails/through its website for blocking of the websites as ordered by the Hon'ble Courts. Ensuring compliance of the orders by each of the ISPs is a time-consuming and complex task especially in view of multiplicity of orders of Hon'ble Courts, multiplicity of websites to be blocked and multiplicity of ISPs.

2. Allocation of Business Rules inter-alia states thus:-

'Policy matters relating to information technology; Electronics; and Internet (all matters other than licensing of Internet Service Provider).'

3. In view of above and in order to ensure effective removal by content for viewing by public at large, the plaintiff is requested to do a trace route of the web server hosting the said website. In case the web server happens to be in India, the plaintiff may inform the same to Meity who may direct the owner of such web server to stop transmission of content as per IT Act and as directed by the Hon'ble Court so that the content would be blocked from the source itself and the exercise of blocking by 2700 ISPs would not be required.

4. In case such server is located abroad i.e. outside India then access to such URL/website can be blocked through the international internet gateways which are much less in number. This would result in timely and effectively removal of undesirable content for viewing by public at large as is the requirement as per the orders of Hon'ble Court.
