We act on behalf of (**"Our Clients"**):

(i) Warner Bros. Entertainment Inc., having its office at 4000 Warner Boulevard, Burbank, California 91522, United States of America;
(ii) Netflix Studios, LLC, having its office at 100 Winchester Cir Los Gatos, CA, 95032-1815 United States of America;

(v) Crunchyroll LLC having office at 5750 Wilshire Blvd, Los Angeles, California, 90036, United States of America.

We are under instructions from Our Clients to address you as under:

1. Our Clients are the authors and/or first owners and/or owners and/or distributors of cinematograph films/television shows ("Original Content"). Our Clients instituted a Suit against various infringing websites before the Hon'ble High Court of Delhi, inter alia, for permanent injunction restraining violation of Plaintiffs' copyrights in relation to the Original Content as well as for other reliefs. Our Clients also impleaded various internet and telecom service providers, domain name registrars as well as the concerned Government Departments (Department of Telecommunication and the Ministry of Electronics and Information Technology), as Defendants, to ensure effective compliance of any order that the Hon'ble Delhi High Court was inclined to pass.

2. The above-mentioned matter came up for consideration before Hon'ble Mr. Justice Tejas Karia, of High Court of Delhi on 18th December 2025 read with Corrigendum dated 24th December 2025 and the Hon'ble Judge was pleased to pass an *ex-parte ad-interim* order in favour of the Plaintiffs. The relevant portion of the order dated 18th December 2025 and Corrigendum dated 24th December 2025 is extracted below:

"26. Accordingly, till the next date of hearing, it is directed as under:

I. Defendant Nos. 1 to 47, its owners, partners, proprietors, officers, servants, employees, and all others in capacity of principal or agent acting for and on their behalf, or anyone claiming through, by or under it, are restrained from, in any manner hosting, streaming, reproducing, distributing, making available to the public and / or communicating to the public, or facilitating the same, on their websites, through the internet in any manner whatsoever, the Plaintiffs' Copyrighted Works, i.e., cinematographic work /content / programme / show in relation to which Plaintiffs have copyright or exclusive distribution rights / and or any other right, as enlisted in ***SCHEDULE-A*** *annexed with this Order.*

II. Defendant Nos. 48 to 69, i.e., the DNRs as enlisted in SCHEDULE-B annexed with this Order, shall lock and suspend Defendant Nos. 1 to 47 websites within 72 hours of being communicated with a copy of this Order and shall file all the Basic Subscriber Information, including the name, address, contact information, email addresses, bank details, IP logs, and any other relevant information available of the owners / operators of Defendant Nos. 1 to 47 in a sealed cover / password protected document within four weeks of being communicated with a copy of this Order.

III. Defendant Nos. 71 to 79, i.e., the ISPs, shall to block access to the Defendant Nos. 1 to 47 websites identified by the Plaintiffs annexed as SCHEDULE-A with this Order within 72 hours of being communicated with a copy of this Order.

IV. Defendant Nos. 80 and 81, that is, Department of Telecommunications and Ministry of Electronics & Information Technology are directed to issue a notification calling upon the various internet and telecom service providers registered under them to block access to the Defendant Nos. 1 to 47 websites identified by the Plaintiffs".

27. To keep up with the hydra-headed nature of the infringement actions of such infringing domains / websites, this Court finds it fit to grant a 'Dynamic+ injunction' to protect the Plaintiffs' Copyrighted Works as soon as they are created, to ensure that no irreparable loss is caused to the owners of Copyrighted Works, as there is an imminent possibility of the Plaintiffs' Copyrighted Works being uploaded on Infringing Websites or their newer versions immediately thereafter. The Plaintiffs are permitted to implead any mirror / redirect / alphanumeric variations of the websites identified in the Suit as Defendants Nos. 1 to 47, including those websites which are associated with them, either based on the name, branding, identity or even source of content, by filing an application for impleadment under Order I Rule 10 of the CPC and extend the present Order against them, in the event such websites merely provide new means of accessing the same primary Infringing Websites that have been injuncted.

A copy of the Order dated 18th December 2025 and Corrigendum dated 24th December 2025 is available at the drive link attached herewith.

3. In view of the interim injunction order dated 18th December 2025 read with Corrigendum dated 24th December 2025. Our Clients had filed an Impleadment Application against the below-mentioned websites, for impleading it as Defendant Nos. 137 to 145 in the said suit:

perused the screenshots of the Infringing Websites, it is revealed that the Infringing Websites are, on real-time basis, offering for viewing and downloading the Plaintiffs' Copyrighted Works, without their consent or a valid license, resulting in financial losses to the Plaintiffs.

25. The Plaintiffs have made out a *prima facie* case for grant of an *ex-parte ad-interim* injunction. Balance of convenience is in favour of the Plaintiffs and against the Infringing Websites. Irreparable injury would be caused to the Plaintiffs if an *ex-parte ad- interim* injunction is not granted. The need for immediate relief is particularly pressing in this case as the Infringing Websites are making available the Plaintiffs' Copyrighted Works, which could lead to significant financial losses for the Plaintiffs. Therefore, swift action to prevent the alleged infringements is crucial in the present case.

26. Accordingly, till the next date of hearing, it is directed as under:

I. Defendant Nos. 1 to 47, its owners, partners, proprietors, officers, servants, employees, and all others in capacity of principal or agent acting for and on their behalf, or anyone claiming through, by or under it, are restrained from, in any manner hosting, streaming, reproducing, distributing, making available to the public and / or communicating to the public, or facilitating the same, on their websites, through the internet in any manner whatsoever, the Plaintiffs' Copyrighted Works, i.e., cinematographic work /content / programme / show in relation to which Plaintiffs have copyright or exclusive distribution rights / and or any other right, as enlisted in **SCHEDULE-A** annexed with this Order.

SCHEDULE-B annexed with this Order, shall lock and suspend Defendant Nos. 1 to 47 websites within 72 hours of being communicated with a copy of this Order and shall file all the Basic Subscriber Information, including the name, address, contact information, email addresses, bank details, IP logs, and any other relevant information available of the owners / operators of Defendant Nos. 1 to 47 in a sealed cover / password protected document within four weeks of being communicated with a copy of this Order.

III. Defendant Nos. 71 to 79, i.e., the ISPs, shall to block access to the Defendant Nos. 1 to 47 websites identified by the Plaintiffs annexed as **SCHEDULE-A** with this Order within 72 hours of being communicated with a copy of this Order.

27. To keep up with the hydra-headed nature of the infringement actions of such infringing domains / websites, this Court finds it fit to grant a 'Dynamic+ injunction' to protect the Plaintiffs' Copyrighted Works as soon as they are created, to ensure that no irreparable loss is caused to the owners of Copyrighted Works, as there is an imminent possibility of the Plaintiffs' Copyrighted Works being uploaded on Infringing Websites or their newer versions immediately thereafter. The Plaintiffs are permitted to implead any mirror / redirect / alphanumeric variations of the websites identified in the Suit as Defendants Nos. 1 to 47, including those websites which are associated with them, either based on the name, branding, identity or even source of content, by filing an application for impleadment under Order I Rule 10 of the CPC and extend the present Order against them, in the event such websites merely provide new means of accessing the same primary Infringing Websites

28. If any website, which is not primarily an infringing website, is blocked pursuant to the present Order, they shall be permitted to approach the Court by filing an Affidavit that it does not intend to engage in any unauthorized or illegal dissemination of the Plaintiffs' Copyrighted Works. In such a situation, the Court would consider modifying the injunction as the facts and circumstances so warrant.

29. Let the Reply to the present Application be filed within four weeks after service of Notice. Rejoinder thereto, if any, be filed before the next date of hearing.

30. The compliance of Order XXXIX Rule 3 of the CPC be done within two weeks.

Annexure

Subject: Action requested to be taken by MEITY and Plantiff for effective removal of content for viewing by public at large within India as per the said orders of Hon'ble Court.

It is observed that a number of orders of Hon'ble Court are issued for blocking of websites every month. There are around more than 2700 ISPs in India and these ISPs are connected among themselves in a mesh network. DOT is instructing each of the ISPs through emails/through its website for blocking of the websites as ordered by the Hon'ble Courts. Ensuring compliance of the orders by each of the ISPs is a time-consuming and complex task especially in view of multiplicity of orders of Hon'ble Courts, multiplicity of websites to be blocked and multiplicity of ISPs.

2. Allocation of Business Rules inter-alia sates thus:-

'Policy matters relating to information technology; Electronics; and Internet (all matters other than licensing of Internet Service Provider)'.

3. In view of above and in order to ensure effective removal by content for viewing by public at large, the plantiff is requested to do a trace route of the web server hosting the said website. In case the web server happens to be in India, the plantiff may inform the same to Meity who may direct the owner of such web server to stop transmission of content as per IT Act and as directed by the Hon'ble Court so that the content would be blocked from the source itself and the exercise of blocking by 2700 ISPs would not be required.

4. In case such server is located abroad i.e. outside India then access to such URL/website can be blocked through the international internet gateways which are much less in number. This would result in timely and effectively removal of undesirable content for viewing by public at large as is the requirement as per the orders of Hon'ble Court.
