========== Forwarded message ==========

Dear Sir,

We act on behalf of JioStar India Private Limited ('Star') (hereinafter referred to as "Our Client"). Our Client is the Plaintiff in the above-captioned suit.

Our Client has acquired *inter alia,* the Exclusive Rights in the West Indies Tour of India 2026 (*"WITI 2026"*). These Rights include but are not limited to the live, delayed, highlights, clips and repeat exhibition of various sporting events, over which the Plaintiff has Exclusive Rights, through various platforms for viewing on various devices such as computers, laptops, mobile phones, tablets etc.

Our Client has instituted the above-captioned Suit against various 'rogue' Websites *inter alia* the Defendant Nos. 1 to 10 before the Hon'ble High Court of Delhi, inter alia, seeking permanent and *ex-parte* ad-interim and temporary injunction restraining infringement of their Broadcast Reproduction rights arising on account of illegal communication of the sporting event by Defendant websites without any permission as well as for other reliefs.

Our Client has also arrayed the concerned Government departments, namely, the Department of Telecommunications (DoT) (Defendant No. 11) and the Ministry of Electronics and Information Technology (MeitY) (Defendant No. 12), Internet and Telecom Service Providers (ISPs/TSPs) (Defendant Nos. 13–22), as well as various Domain Name Registrars (DNRs) (Defendant Nos. 23-30), to ensure effective compliance with any orders that the Hon'ble Delhi High Court may be inclined to pass.

The above-mentioned matter came up before the Hon'ble Mr. Justice Anup Jairam Bhambhani, Delhi High Court on 30.09.2026, on which date, the Hon'ble Court was pleased to issue notice to you and was also pleased to pass an *ex-parte* ad-interim order in terms of Prayer Clause 13 in terms of application under Order XXXIX Rules 1 and 2. The relevant para of the Order dated 30.09.2026 is extracted herein below:

> *"39. In view of what is narrated above, this court deems it appropriate to grant an ex-parte ad-interim order of injunction in the following terms:*
>
> *39.1. Defendants Nos. 1 to 10 and any persons associated with them are restrained from in any manner communicating, hosting, streaming, and/or making available for viewing and downloading, without authorization, on their websites/URLs or other platforms, through the internet or in any manner whatsoever, the plaintiff's content in relation to the ongoing WITI 2026.*
>
> *39.2. Defendants Nos.13 to 22 (ISPs) are directed to block access to defendants Nos. 1 to 10, as per available particulars that have been annexed alongwith this order.*
>
> *39.3. Defendants Nos.23 to 30 (DNRs) are directed to lock and suspend the domain name registrations of defendants Nos. 1 to 10, as per available particulars that have been annexed alongwith this order.*
>
> *39.4. In the event the plaintiff discovers that any mirror/alphanumeric/re-direct websites of the defendant*
> *websites/URLs as identified and tabulated in the annexure to this order, are directly or indirectly, infringing the plaintiff's copyright/broadcast*

reproduction rights in relation to streaming/live-streaming of WITI 2026, the plaintiff would be at liberty to furnish to the concerned ISP and/or DNR on affidavit the particulars of such other websites along with supporting documentation evidencing that the mirror/alphanumeric/redirect websites are prima facie infringing the plaintiff's rights to their content. Thereupon, the concerned ISP or DNR shall technically verify if the website(s) in question is/are in fact mirror/alphanumeric/re-direct websites of the defendant websites, and if so, they would enforce the injunction order granted by this court against such website(s) as well, as a protem measure.)

39.5. In the event the plaintiff discovers any URLs/websites carrying content identical to the infringing content that is subject matter of the present suit, the plaintiff is at liberty to inform the concerned DNR/ISP by furnishing to them on affidavit, the particulars of such other URLs/websites alongwith supporting documentation evidencing that the said URLs/websites are carrying content identical to the content being carried by defendants Nos. 1 to 10 as tabulated in the annexure to this order, whereupon the concerned DNR/ISP shall technically verify if the URLs/websites are in fact carrying content identical to the infringing content that is carried by defendants Nos.1 to 10, and if so, they would enforce this order against such URLs/websites as a pro tem measure.

39.6. Defendants Nos.11/Department of Telecommunications ('DoT') and 12/Ministry of Electronics and Information Technology ('MeitY') are directed to issue requisite notifications directing the concerned ISPs to block access to the URLs/websites annexed alongwith this order as well as any mirror/alphanumeric/re-direct URLs/websites or URLs/websites carrying content identical to that available on the list of URLs/websites that are part of the annexure to this order, This is that the plaintiff would indicate on affidavit to defendants Nos.11 and 12.

39.7. Simultaneously with filing an affidavit with the concerned ISP/DNR or DoT/MeitY, the plaintiff shall file an application seeking to implead in the present proceedings, the mirror/alphanumeric/re-direct websites or URLs/websites carrying identical content, and such application shall be considered by the court.

39.8. Defendants Nos.23 to 30 (DNRs) are directed to furnish to the plaintiff the KYC, credit card details, contact details, IP address and credentials relating to defendants Nos.1 to 10.

39.9. Defendants Nos.13 to 22 are directed to furnish to the plaintiff, the Basic Subscriber Information, IP logs, any other information available with them including contact details, address, e-mail address, name and other credentials/particulars relating to defendants Nos.1 to 10.

39.10. Insofar as the particulars of mirror/alphanumeric/re-direct websites or URLs/websites carrying content identical to defendants Nos. 1 to 10 are concerned, the concerned DNR/ISP shall disclose the particulars of such additional websites only upon specific directions of this court and not otherwise…."

To protect and enforce its exclusive rights, Our Client engaged the services of an investigation agency, Copyright Integrity Advisory (India) Private Limited ("CII"), to monitor rouge websites and gather evidence of their infringing activity. Additional 4 websites have been identified by the investigation agency engaging in illegally broadcasting the "West Indies Tour of India 2026".

Consequently, in terms of the directions passed by the Hon'ble Court, vide Order dated 30.09.2026, the *ex parte* ad-interim Order dated 30.09.2026 is also applicable with respect to these additional 4 websites.

In relation to the same, please find attached the Affidavit of Mr. Ram Panchal dated 05.10.2026 along with the evidence with respect to additional list of 4 websites that are engaged in hosting and/or streaming and/or providing access and/or making available for viewing the West Indies Tour of India 2026.

The suit papers being voluminous, they can be downloaded from the link below:

In lieu of the above facts and circumstances, we respectfully urge you to issue requisite notifications to the concerned ISPs to block access to the additional 4 websites/URLs at the earliest.

For your convenience, please find attached the Order dated 30.09.2026, passed by the Hon'ble Court of Justice Anup Jairam Bhambhani, Delhi High Court.

CS(COMM) 1074/2026

17. The plaintiff claims a decree of permanent injunction restraining the defendants Nos.1 to 10 from violating the plaintiff's exclusive broadcasting and ancillary rights in relation to the West Indies Tour of India 2026 ('WITI 2026'), which event is currently underway.

18. At the outset, learned counsel appearing for the plaintiff is queried as to how the present suit is maintainable within the territorial jurisdiction of this court.

19. While admitting that the registered office of the plaintiff is situate in Mumbai, learned counsel appearing for the plaintiff submits that the plaintiff has a Branch Office in Delhi. That being said, counsel further submits that defendants Nos. 1 to 10 are 'rogue' websites/URLs that are running content in relation to which the plaintiff holds exclusive broadcasting rights, *i.e.,* content relating to WITI 2026. Counsel submits that, as of now, the plaintiff is unaware of the Basic Subscriber Information ('BSI') and other particulars of defendants Nos. 1 to 10 and therefore does not know the details and particulars of the individuals/entities behind these rogue websites/URLs and where such individuals/entities reside.

20. Counsel, however, submits that the directions sought from this court would be applicable and would have to be implemented by defendants Nos. 11 to 30 of which several defendants are based in Delhi.

21. In the circumstances, counsel submits that even if, arguably, the suit may not be maintainable within the territorial jurisdiction of this court

from the perspective of section 20(c) of the CPC, the present suit is maintainable before this court in view of sections 20(a) and 20 (b) of the CPC.

22. In light of sections 20(a) and (b) of the CPC, the plaintiff seeks leave of this court to permit them to also sue the defendants who are based outside of Delhi in the present proceedings.

23. Counsel further argues that in other similar matters, defendants who are based outside Delhi, have acquiesced in the institution of a suit in Delhi.

24. In view of the above it is not deemed necessary, at this stage, to delve further into the question of maintainability of the present suit within the territorial jurisdiction of this court.

25. That being said, the question as regards maintainability of the present suit within the territorial jurisdiction of this court is kept open.

26. Let the plaint be registered as a suit.

27. Issue summons in the suit.

28. Upon the plaintiff taking requisite steps, let summons be sent to the defendants by all permissible modes, returnable for the next date before the learned Joint Registrar.

29. Let the summons indicate that the defendants are required to file written statement to the plaint within 30 days from the date of receipt of summons, alongwith affidavit of admission/denial of the documents filed by the plaintiff. The plaintiff may file replication to the written statement within 30 days thereafter, alongwith affidavit of admission/denial of the documents filed by defendants.

I.A. 27238/2026 (u/O.XXXIX R.1&2 seeking interim injunction)

32. By way of the present application filed under Order XXXIX Rules 1 and 2 read with section 151 of the CPC, the plaintiff seeks the following interim reliefs:

> *"13. In light of the foregoing, it is most respectfully prayed that this Hon'ble Court may be pleased to:*
>

>
> *"ii. Pass an order directing the Defendant Nos. 11 and 12 to issue a notification calling upon the various internet service providers registered under it to block access to the various websites identified by the Plaintiff in the instant suit (at S. No. 1 of the Documents), as well as any additional infringing websites discovered during the course of the West Indies Tour of India 2026 and notified by the Plaintiff on a real time basis;*
>
> *"iii. Pass a temporary order directing the Defendant Nos. 13 to 22, their directors, partners, proprietors, officers, affiliates, servants, employees, and all others in capacity of principal or agent*

No. 1 of the Documents), as well as any additional infringing websites discovered during the course of the West Indies Tour of India 2026 and notified by the Plaintiff on a real time basis.

"iv. Pass an order directing Defendant Nos. 23 to 30, its directors, partners, officers, affiliates, and all others in capacity of principal or agent acting for and, on their behalf, or anyone claiming through, by or under it, to lock and suspend the domain name registration of the Defendant Nos. 1 – 10, as well as any additional infringing websites discovered during the course of the West Indies Tour of India 2026 and notified by the Plaintiff on a real time basis. Specific Domain Name Registrars for each website are disclosed under para 50 of the Plaint.

"v. Pass an order interim injunction directing the Defendant Nos. 23-30 to disclose the following information of the Defendant Nos. 1 – 10 (and such other websites which are discovered during the course of the proceedings and notified by the Plaintiff to have been infringing the Plaintiff's Exclusive Rights and broadcast reproduction rights):

b) Mode of payment along with payment details used for registration of domain name by the registrant(s).

"Pass any other Order(s) as this Hon'ble Court may deem fit and proper in the facts and circumstances of the case may also be passed in favour of the Plaintiff."

33. Learned counsel appearing for the plaintiff submits that defendants Nos. 1 to 10 are blatantly violating the plaintiff's exclusive broadcasting rights in relation to live-streaming of WITI 2026, which

event is illegally being streamed by defendants Nos. 1 to 10 who are rogue websites/URLs, as evidenced by the documents filed alongwith the plaint.

34. In the circumstances, counsel seeks directions in line with the view taken by this court in ***Home Box Office Inc & Ors. vs. Streamzy. To & Ors***[3]; as well as in ***Dr. Aniruddha Dhairyadhar Joshi through Power of Attorney Holder vs. John Does Ashok Kumars & Ors.***[4]

35. Issue notice.

36. Upon the plaintiff taking steps, let notice be sent to the defendants by all permissible modes, returnable for the next date before the learned Joint Registrar.

37. Let the notice indicate that reply to the application be filed within 30 days of service; rejoinder thereto, if any, be filed within 30 days thereafter; with copies to the opposing counsel.

38. Based on a preliminary appreciation of the matter, this court is of the view that the plaintiff has succeeded in making-out a *prima-facie* case in its favour; that the balance of convenience also lies in favour of the plaintiff and against the defendants; and it would appear that irreparable loss and injury would be caused to the plaintiff if the interim injunction as prayed-for is not granted.

39. In view of what is narrated above, this court deems it appropriate to grant an *ex-parte ad-interim* order of injunction in the following terms:

IN THE MATTER OF

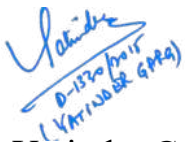

JioStar India Private Limited ...Plaintiff

Versus

https://crichd.ch/& Ors. ...Defendants

AFFIDAVIT OF RAM PANCHAL, S/O SH. LT. MUKHTIAR SINGH, AGED 55 YEARS, AUTHORISED SIGNATORY OF PLAINTIFF, JIOSTAR INDIA PRIVATE LIMITED. HAVING OFFICE AT STAR HOUSE, URMI ESTATE, 95 GANPATRAO KADAM MARG, LOWER PAREL (W), MUMBAI 400013, PRESENTLY AT NEW DELHI, INDIA, ON BEHALF OF THE PLAINTIFF

I, the above-named deponent, do hereby solemnly affirm and declare as under:

1. That, I am the Authorized Representative of the Plaintiff in the present suit and as such I am conversant with the facts and circumstances of the present suit and competent to depose in respect thereof.

2. That the Plaintiff, in the course of its business, has acquired exclusive Television and Digital Rights (including Internet Rights and Mobile Rights), Mobile Activation Rights and other ancillary rights (hereinafter collectively referred to as the "Exclusive Rights") from the Board of Control for Cricket in India ("BCCI") in respect of international and domestic cricket matches organised by the BCCI in India for the period 2023 to 2028, vide agreement dated 12th September 2023. The said Exclusive Rights have been further confirmed vide Right Confirmation Letters dated 12th September 2023 and 25th September 2024 (hereinafter

referred to as the "Rights Confirmation Letters"). The Exclusive Rights include, inter alia, the rights in respect of the ongoing sporting event, namely, 'West Indies Tour of India 2026' (hereinafter referred to as "WITI 2026" or the "Event"). I state that the aforesaid Exclusive Rights encompass the live, delayed, repeat and highlights broadcast, transmission, communication and making available of the matches, including clips and excerpts thereof, through various platforms and modes of transmission, for viewing on various devices, including televisions, computers, laptops, mobile phones, tablets and other internet-enabled devices.

3. I state that I am aware of the present suit and the order dated 30.09.2026 whereby the Hon'ble Court was pleased to pass an *ex-parte ad-interim* order in terms of the following :

"39. In view of what is narrated above, this court deems it appropriate to grant an ex-parte ad-interim order of injunction in the following terms:

39.1. Defendants Nos. 1 to 10 and any persons associated with them are restrained from in any manner communicating, hosting, streaming, and/or making available for viewing and downloading, without authorization, on their websites/URLs or other platforms, through the internet or in any manner whatsoever, the plaintiff's content in relation to the ongoing WITI 2026.

39.2. Defendants Nos.13 to 22 (ISPs) are directed to block access to defendants Nos. 1 to 10, as per available particulars that have been annexed alongwith this order.

39.3. Defendants Nos.23 to 30 (DNRs) are directed to lock and suspend the domain name registrations of defendants Nos. 1 to 10, as per available particulars that have been annexed alongwith this order.

39.4. In the event the plaintiff discovers that any mirror/alphanumeric/re-direct websites of the defendant
websites/URLs as identified and tabulated in the annexure to this order, are directly or indirectly, infringing the plaintiff's copyright/broadcast reproduction rights in relation to streaming/live-streaming of WITI 2026, the plaintiff would be at liberty to furnish to the concerned ISP and/or DNR on affidavit the particulars of such other websites along with supporting documentation evidencing that the mirror/alphanumeric/redirect websites are prima facie infringing the plaintiff's rights to their content. Thereupon, the concerned ISP or DNR shall technically verify if the website(s) in question is/are in fact mirror/alphanumeric/re-direct websites of the defendant websites, and if so, they would enforce the injunction order granted by this court against such website(s) as well, as a protem measure.)

39.5. In the event the plaintiff discovers any URLs/websites carrying content identical to the infringing content that is subject matter of the present suit, the plaintiff is at liberty to inform the concerned DNR/ISP by furnishing to them on affidavit, the particulars of such other URLs/websites alongwith supporting documentation evidencing that the said URLs/websites are carrying content identical to the content being carried by defendants Nos. 1 to 10 as tabulated in the annexure to this order, whereupon the concerned DNR/ISP shall technically verify if the URLs/websites are in fact carrying content identical to the infringing content that is carried by defendants Nos.1 to 10, and if so, they would enforce this order against such URLs/websites as a pro tem measure.

39.6. Defendants Nos.11/Department of Telecommunications ('DoT') and 12/Ministry of Electronics and Information Technology ('MeitY') are directed to issue requisite notifications directing the concerned ISPs to block access to the URLs/websites annexed alongwith this order as well as any mirror/alphanumeric/re-direct URLs/websites or URLs/websites carrying content identical to that

available on the list of URLs/websites that are part of the annexure to this order, This is that the plaintiff would indicate on affidavit to defendants Nos.11 and 12.

39.7. Simultaneously with filing an affidavit with the concerned ISP/DNR or DoT/MeitY, the plaintiff shall file an application seeking to implead in the present proceedings, the mirror/alphanumeric/re-direct websites or URLs/websites carrying identical content, and such application shall be considered by the court.

39.8. Defendants Nos.23 to 30 (DNRs) are directed to furnish to the plaintiff the KYC, credit card details, contact details, IP address and credentials relating to defendants Nos.1 to 10.

39.9. Defendants Nos.13 to 22 are directed to furnish to the plaintiff, the Basic Subscriber Information, IP logs, any other information available with them including contact details, address, e-mail address, name and other credentials/particulars relating to defendants Nos.1 to 10.

39.10. Insofar as the particulars of mirror/alphanumeric/re-direct websites or URLs/websites carrying content identical to defendants Nos. 1 to 10 are concerned, the concerned DNR/ISP shall disclose the particulars of such additional websites only upon specific directions of this court and not otherwise...."

4. I state that in order to protect and enforce its Exclusive Rights in the West Indies Tour of India 2026, the Plaintiff engaged the services of an investigation agency, Copyright Integrity Advisory (India) Private Limited ("CII"), to monitor Rogue Websites. I state that the Plaintiff with the help of the investigator have identified following additional websites at Annexure A, which are illegally streaming the contents of the ongoing West Indies Tour of India 2026, which are infringing the Plaintiff's Exclusive Rights.

5. I state that from the evidence filed along with the present Affidavit, it is evident that the identified websites at Annexure A are hosting and/or streaming and/or providing access and/or making available for viewing the broadcast of the ongoing WITI 2026. I state that the Plaintiff has acquired the exclusive rights and licence to exploit and/or authorize the exploitation of the Digital Rights in respect of WITI 2026 within the Indian Subcontinent. However, the Plaintiff has not authorized any of the aforesaid websites to broadcast, stream, communicate to the public, or otherwise make available for viewing, the matches of WITI 2026, through any mode or platform whatsoever.

6. I state that the Plaintiff is not aware of the owners of these additional websites as either they are anonymous or have incorrect or incomplete addresses.

7. I state that in terms of the following directions passed by this Hon'ble Court, *vide* order dated 30.09.2026 (reproduced herein above) is also applicable on the newly identified websites at **Annexure A**.

"39.5. In the event the plaintiff discovers any URLs/websites carrying content identical to the infringing content that is subject matter of the present suit, the plaintiff is at liberty to inform the concerned DNR/ISP by furnishing to them on affidavit, the particulars of such other URLs/websites alongwith supporting documentation evidencing that the said URLs/websites are carrying content identical to the content being carried by defendants Nos. 1 to 10 as tabulated in the annexure to this order, whereupon the concerned DNR/ISP shall technically verify if the URLs/websites are in fact carrying content identical

to the infringing content that is carried by defendants Nos.1 to 10, and if so, they would enforce this order against such URLs/websites as a pro tem measure.

39.6. Defendants Nos.11/Department of Telecommunications ('DoT') and 12/Ministry of Electronics and Information Technology ('MeitY') are directed to issue requisite notifications directing the concerned ISPs to block access to the URLs/websites annexed alongwith this order as well as any mirror/alphanumeric/re-direct URLs/websites or URLs/websites carrying content identical to that available on the list of URLs/websites that are part of the annexure to this order, This is that the plaintiff would indicate on affidavit to defendants Nos.11 and 12."

8. Considering the abovementioned, the concerned Domain Name Registrar(s) are urged to lock and suspend the domain name registrations of the additional domains identified in Annexure A hereto. Further, Department of Telecommunications (Defendant No. 11) and the Ministry of Electronics and Information Technology (Defendant No. 12) are urged to issue a notification to the Internet Service Providers (Defendant Nos. 13 – 22) to block the additional rogue websites domains identified in Annexure A hereto.

9. I state that the evidence filed along with the present affidavit was shared by the investigating agency in google drive link. I downloaded the same onto the computer ie. HP Asset Data, Elite Book, which is regularly used by me in the ordinary course of business and thereafter, shared the same with the Plaintiff's Counsel.

10. I am advised to state that the requirements of Order XI Rule 6(3) of the Commercial Courts, Commercial Division and

Commercial Appellate Division of High Courts Act, 2015 are compiled with in respect of these documents.

11. In particular, I confirm: -

This notice is being delivered to you in relation to:

https://a122.azplay48.me/hls/streama268953/index.m3u8

The Board of Control for Cricket in India ("BCCI") is the sole authority to grant, license and sell (including for onward licensing) broadcast and media rights arising out of the West Indies in India ("Series"). These rights include, without limitation, TV Live Broadcast Rights and TV Highlights Rights, Mobile Rights and Internet Rights for Live, Deferred, Delayed broadcasts and Highlights for all matches of the Series ("Matches") on television and on the Internet ("Exclusive Rights"). These Exclusive Rights originate with BCCI, and BCCI and its authorised licensees are entitled to enforce these rights. For your information, these Exclusive Rights have been granted to Jiostar India Private Limited ("Jiostar") in the territory of India.

My firm represents BCCI in protecting its intellectual property rights and on behalf of BCCI, we demand that you (i) cease and desist distributing the BCCI content; and (ii) acknowledge receipt of this legal notice immediately.

The content on your website infringes BCCI's Exclusive Right of distribution and is accessible on the Internet across a range of jurisdictions. Consequently, the remedies for these infringements lie in civil and criminal laws worldwide, including the United States and India.

In the United States, streaming this content violates 17 USC § 501, which provides that any person who violates any of the exclusive rights of a copyright owner, including the right of distribution, is an infringer and punishable by law. Under law, your wilful violation of the Copyright Act may entitle the copyright owner to statutory damages of up to $150,000 per violation, as well as attorneys' fees and costs.

In India, these activities constitute copyright infringement under the Copyright Act of 1957.

BCCI reserves the right to take any further action it may deem appropriate to protect its rights and interests in this matter, including, but not limited to, initiating legal proceedings.

Annexure

Subject: Action requested to be taken by MEITY and Plantiff for effective removal of content for viewing by public at large within India as per the said orders of Hon'ble Court.

It is observed that a number of orders of Hon'ble Court are issued for blocking of websites every month. There are around more than 2700 ISPs in India and these ISPs are connected among themselves in a mesh network. DOT is instructing each of the ISPs through emails/through its website for blocking of the websites as ordered by the Hon'ble Courts. Ensuring compliance of the orders by each of the ISPs is a time-consuming and complex task especially in view of multiplicity of orders of Hon'ble Courts, multiplicity of websites to be blocked and multiplicity of ISPs.

2. Allocation of Business Rules inter-alia sates thus:-

'Policy matters relating to information technology; Electronics; and Internet (all matters other than licensing of Internet Service Provider)'.

3. In view of above and in order to ensure effective removal by content for viewing by public at large, the plantiff is requested to do a trace route of the web server hosting the said website. In case the web server happens to be in India, the plantiff may inform the same to Meity who may direct the owner of such web server to stop transmission of content as per IT Act and as directed by the Hon'ble Court so that the content would be blocked from the source itself and the exercise of blocking by 2700 ISPs would not be required.

4. In case such server is located abroad i.e. outside India then access to such URL/website can be blocked through the international internet gateways which are much less in number. This would result in timely and effectively removal of undesirable content for viewing by public at large as is the requirement as per the orders of Hon'ble Court.
